We must carry the war into every corner the enemy happens to carry it: to his home, to his centers of entertainment; a total war. It is necessary to prevent him from having a moment of peace, a quiet moment outside his barracks or even inside; we must attack him wherever he may be, make him feel like a cornered beast wherever he may move. - Ernesto Che Guevara

Drupal is an open source, content management framework. It's free, it's powerful, and it's marching across the free world. If you are still using a commercial (imperialist) CMS, you may be on the wrong side.
